# Smart Robotic Pool Cleaner Designed For Thorough, Efficient Maintenance.

## Complete Cleaning Coverage

The Chasing Hydro 6 cleans your pool floor, walls and waterline, with its adaptive coverage optimisation. By continuously adjusting its movement based on real pool conditions, it ensures efficient and comprehensive cleaning without relying on a fixed path pattern.

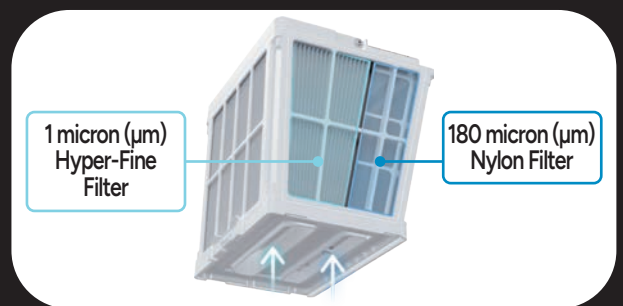

## Dual Turbo Pumps

The dual turbo centrifugal pumps give the robotic cleaner a strong filtration capacity, turning over 555L of water per minute.

## Large 6.7L Basket

6.7L capacity and 180 micron filter holds more finer debris. Features a dual-zone design, reducing the risk of clogging. Easy to empty and rinse basket.

## One-Click Retrieval

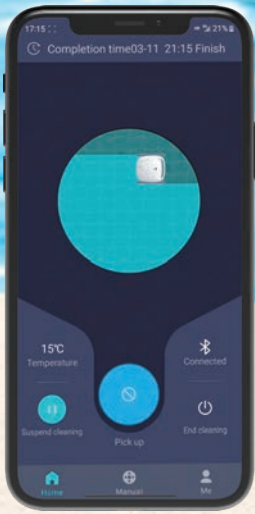

Send the cleaner to the pool edge for easy retrieval with a convenient one-click command.

## Dual Brushless Motors

The brushless motors offer corrosion resistance, spark-free operation, and low noise.

## Wi-Fi Connectivity

Seamlessly connect to Wi-Fi and Bluetooth for smart functionality and effortless management.

## Dedicated Mobile App

Manage your cleaner efficiently with the dedicated mobile app. Control your cleaner anywhere, any time.

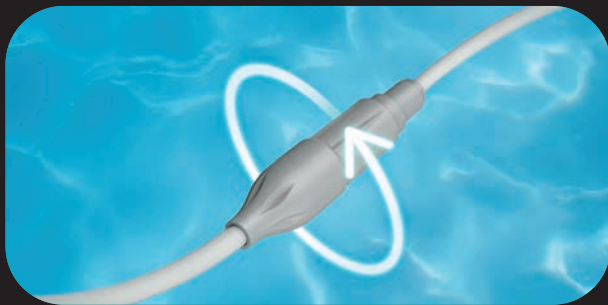

## Waterline Cleaning Technology

Moves parallel along the pool edge, scrubs the pool's waterline, removing grease, algae, and scale to prevent bacteria buildup.

## Anti-Tangle Swivel Cable

The swivel connection, helps to prevent tangles for a more efficient and uninterrupted cleaning cycle.

## Effortless Obstacle Crossing

The corrosion-resistant tracks easily cross slopes and drains. Suitable for all pool surfaces and sloped beach entries.

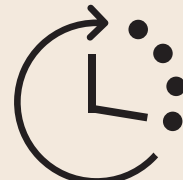

## Full Load Alert

Notifies you via the app when the basket is full of debris, keeping the system running smoothly.

## Custom Schedules

Conveniently control and schedule cleaning cycles from your phone.

## HYDRO 6 ROBOTIC POOL CLEANER

### OPERATING CONDITIONS

PARAMETER	RANGE
Working Water Depth	0.8 - 5m
Ideal Pool Water Temperature Range	Between 5°C and 35°C
pH Level	7.0 - 7.8
Salt Level	Max 5000PPM
Chlorine Level	Max 4PPM

### PRODUCT INFORMATION

SPECIFICATION	MODEL	
Product Order Code	GW3018	GW3025
Swivel Cable Length	18m	25m
Cleaning Time Floor Mode only	Up To 2 Hours	
Cleaning Time Floor and Waterline Mode Only	Up To 2 Hours	
Cleaning Time Floor/Wall/Waterline Standard Mode	Up To 2 Hours	
Cleaning Time Floor/Wall/Waterline Ultra Mode	Up To 3 Hours	
Cleaning Time Floor/Wall/Waterline Fast Mode	Up To 1 Hour	
Cleaning Time Custom Mode	Up To 4 Hours	
Ideal Pool Size	Up To 200m <sup>2</sup>	
3 Cleaning Modes	Floor Only / Floor and Wall / Auto (Floor, Wall And Waterline)	
Wi-Fi, Bluetooth And Mobile App	Yes	
Filter Specifications	6.7L Capacity, 180 micron (µm) + 1micron (µm) Precision Filtration Accuracy	
Pump Flow Rate	Up to 555L/min	
Running Power, Voltage and Current	320W, AC 100-240V, 50-60Hz	
Moving Speed	Approx. 15m/min	
Ingress Protection Rating of Robot	IP68	
Ingress Protection Rating of Power Box	IP54	
Robot Net Weight	12.5kg	
Robot Dimensions / Packaging Dimensions (LxWxH)	485x475x342mm / 580x560x540mm	
Power Box Weight	2.3kg	
Power Box Dimensions (LxWxH)	352x211x82mm	

AVAILABLE FROM YOUR LOCAL POOL PRO STOCKIST

\*Warranty T&C's apply.  
\* 3 years limited on main body, PCBA, power supply & adapter, floating cable, power cord & indicator light. 2 years limited on drive motor & pump motor. 1 year limited on consumable parts - filter, basket, track & roller brush.
